Updates on Service Users successfully housed since Jan 2026 - present

Count of Intervention Outcome

Recent successful move ons

One bed flat under the housing led scheme - placed in a property with wrap around support to help to sustain his tenancy.

Moved into an Alms House, this is a permanent home as long as she does not breach her tenancy.

Placed in a room in a shared house – privately renting

Placed in supported housing for up to two years - as long as he is successful his next move should be into a general needs' property.
